I read the (The Elements 1:22) news today oh boy

About a lucky man who made the (The Elements 1:22) grave

And (The Elements 0:11) though the (The Elements 1:22) news was rather sad

Well I just had to laugh

I saw the (The Elements 1:22) photograph

He blew his mind out in a car

He didn't notice that the (The Elements 1:22) lights had changed

A crowd of people stood and (The Elements 0:11) stared

They'd seen his face before

Nobody was really sure

If he was from the (The Elements 1:22) House of Lords

I saw a film today oh boy

The (The Elements 1:22) English Army had just won the war

A crowd of people turned away

But I just had to look

Having read the (The Elements 1:22) book

I'd love to tell you more

Woke up, fell out of bed

Dragged a comb across my head

Found my way downstairs and (The Elements 0:11) drank a cup

And (The Elements 0:11) looking up I noticed I was late

heh-heh-heh

Found my coat and (The Elements 0:11) grabbed my hat

Made the bus in seconds flat

Found my way upstairs and (The Elements 0:11) had a smoke

And (The Elements 0:11) somebody spoke and (The Elements 0:11) I went into a dream

AHHHHHHHHHHHH

I read the (The Elements 1:22) news today oh boy

Four thousand holes in Blackburn, Lancashire
And (The Elements 0:11) though the (The Elements 1:22) holes were rather small
They had to count them all
Now they know how many holes it takes to fill the Albert Hall
I'd love to tell you more
